

Hardwick and Cambourne Community Primary School Newsletter

April 28th 2015

Dear Parents and Guardians

We thought it would be sensible to send out some diary dates for this term as we have slotted quite a few things in since our last newsletter. Take a deep breath and digest the list below! We have also realised we haven't "officially" told you that Mrs Wisbey is expecting another baby, though it's very obvious by now! She will be with us until the end of term as her baby isn't due until August.

We hope you are have all been able to look at our updated website. Do let us know if you think there is additional information we could provide for you. We have a number of "statutory" items we have to place on here, including our school information relating to special educational needs. We'd really like to know if this information is helpful to you, so do contact us if you have any feedback for us, or ideas about how to make this clearer.

Andy Matthews & Ruth French (Co-Headteachers)

Vacancies

In the past week we have been busy recruiting teachers for both sites as we continue to expand. We will also be recruiting for additional office staff, teaching assistants, midday supervisors and cleaners. Do visit our website for full details of these vacancies as they appear if you are interested, or if you know someone who might be! All these positions will be for September 2015, but we DO need an additional cleaner on our Hardwick site as soon as possible, so if you are interested in a couple of hours after school for a 2-3 afternoons a week do let us know or have a chat with Ali and contact the school office for an application pack.
