Dear Parents/Guardians

Thank you for your interest in our nursery setting. We are planning to open this from Monday 14<sup>th</sup> September 2015 on our new site for our Cambourne Campus. We will have up to 26 places available for 5 morning sessions, Monday- Friday from 9.00 – 12.00. We will also provide a supervised lunch session from 12.00 – 12.30 if you wish to send your child with a packed lunch, at a charge of £1 a day to cover our staffing costs. From January 2016 we are planning (if demand requires) to have an additional afternoon session each day running from 12.30 – 3.30. Therefore we will be able to offer care for your 3 or 4 yr old from 9.00 – 3.30. We would be most grateful if you could complete the “interest” form so we can start to plan ahead. Preference for places will be given to older pupils and those with older siblings attending the school in the first instance. We will contact you by 22<sup>nd</sup> May to confirm a place and start date for your child. In the coming years, and in response to demand, we plan to open further places per morning and afternoon sessions and to also admit those two year olds who are eligible for funded places. A place in our nursery class will not guarantee a place with us once your child enters their reception year as these admissions are administered by the county. We do hope however that the time your child spends with us will support them in being “school-ready” no matter which local school they attend once they reach school-age. Mr Hoban, our Assistant Head at our Cambourne Campus, will be running our Nursery class next year, so those of you who know our school well will be delighted such an experienced practitioner, who understands our school ethos and provision so well, will be so actively involved in the care of our very youngest children.

We look forward to working alongside you in supporting the development of your children.

Ruth French and Andy Matthews
