

## PE and sports premium report 2017/18

The school was funded with a PE and sports premium of £20,190 for 2017/18.

Premium initiative	Cost	Objectives	Outcomes
Employment of a dedicated sports coach to work alongside teachers to develop engaging PE provision across the whole school, train staff in better delivery of PE provision and extend the range of sports taught.	£6460	All teachers supported in providing quality PE education across the whole school. PE lessons should be seen to have improved and staff confidence and competence in PE should equally be also improved.	Pupils in a range of classes across KS1 and KS2 attending school benefited from sessions co-led by their class teacher supported by the sports coach. Teachers evaluated training provided positively in all cases.
TA staff funding (4 members of staff) to support sensory sports interventions before school every day on both school Campuses. This work is targeted towards those in most need of this intervention.	£4770	Interventions were targeted for pupils across all year groups. Targeted pupils achieving progress and narrow the gap to their peers.	Pupils as identified as requiring both fine and gross motor skills development were targeted and positive development was seen in all pupils attending.
Resource provision for sensory sports sessions across both campuses.	£400	To provide appropriate equipment to allow for the successful delivery of the above sessions.	Pupils as identified as requiring both fine and gross motor skills development were targeted and positive development was seen in all pupils attending.
Expenditure for provision of swimming tuition for pupils in need of extra swimming support. This includes pool and lifeguard hire, transport costs and additional staffing.	£2900	To ensure that as many pupils as possible in years 5 and 6 are able to swim the minimum distance (25m).	Of the pupils attending the sessions 75% made the minimum standard. All pupils showed great improvement and parents were encouraged to keep progress going.
Extending the range of lunchtime and playtime sporting equipment and training for play-leader staff.	£350	Create new equipment for play/lunchtimes, train junior playleaders and staff to run the programme.	Equipment purchased for both campuses, staff and pupils trained. Is now fully in operation.
Contributing towards the replacement of the Hardwick trim trail, to provide a great alternative active play-space in the school.	£2400	Replace the trim trail at Hardwick with something in keeping with what was there previously.	Purchased and due to be fitted in the Easter holiday period.
Provide for new Football goals for each campus, to encourage football at play and lunchtimes.	£800	New goals supplied and set up on each site.	Delivered and fitted in March.
Provision of new school sports kit for school teams. These are for both home and away kits for both campuses.	£1260	To create pride in playing for school teams, by providing them with appropriate school kit.	Supplied in February.
Travel costs for arranged sporting fixtures, competitions	£250	To pay for diesel costs for school minibus and	Fixtures, competitions and galas planned and competed in.

and events.		contribute towards its maintenance.	
Extend the range of sports and physical activity the children are exposed to.	£100	To enable local sports clubs and groups to use the school facilities to run clubs, support the exposure to new sports through delivering Golden Morning courses.	Several new sports clubs started using the school in the past year, from Karate to archery and cricket. Others have extended provision from Hardwick only to Cambourne as well. Some of these groups and others have been invited to run 'in school' Golden Morning sessions and a few have taken up this offer.
Costs for bikeability training and the supply of some additional bikes to enable all pupils to take part.	£500	To facilitate the bikeability training module.	Almost all Year 6's are booked to take part this year.

**Total expenditure £20,190**
