

Pupil Premium Report April 2018 (for 2017/18 funding)

The school was funded £82,720 for the 2017/18 year.

Premium initiative	Cost	Objectives	Outcomes
The employment of a pastoral support Co-ordinator.	£14504	The appointment of a member of staff to co-ordinate and lead the support provided for the emotional needs of pupils attending the school. This will include a large percentage of our disadvantaged children.	Allocations have been made to support the welfare, SEMH and pastoral needs of this group.
The employment of a pupil liaison worker and a play worker to provide pastoral discussions and sessions with disadvantaged pupils.	£6115	Targeted work with key pupils to support their ongoing learning and home life.	Allocations have been made to support the welfare, SEMH and pastoral needs of this group.
TA staff funding to support small group interventions for eligible children in lessons across the school.	£3100	Interventions were targeted for all years from year 1 up. Targeted pupils achieving progress expected to narrow the gap.	Interventions taught with positive outcomes and progress for all groups.
Dedicated teacher for identified children to provide targeted interventions on Wednesdays and Thursdays.	£13392	Individualised work with PP children from across the whole school.	All eligible pupils have received dedicated time (1:1 or small group) on focussed work set by the teacher. Outcomes are showing good progress by all pupils.
Early morning reading support for eligible children.	£1151	Short regular reading time with a TA in years 1, 2, 3 and 4. Free access to before school reading club (YR – Y6).	Achieved unless pupils regularly arrived too late to attend.

TA staff funding to support small groups of eligible children within quality first teaching.	£12,092	Targeted TA support for all eligible children within quality first teaching. Targeted pupils achieving progress expected to narrow the gap.	All eligible pupils (who were not as SEND) as a cohort made progress last year in line with that of the rest of the year group. High proportions of the eligible pupils were though also SEND pupils.
Diagnostic tests and resources for identified pupils and reluctant readers.	£400	Test materials and books purchased and used by key members of school staff.	Achieved and in place.
Free school meal charges	£6995	Provision of free school meals	Achieved
Emergency support costs for two eligible children at risk of exclusion	£17,856	Children in question successfully supported in the school.	Achieved. The children in question remained in school with no days lost due to exclusion. One has increased the amount of time spent in school during the year.
Nurture group for small group of eligible children	£1350	Resources and personnel allocated for group	Group ran with positive outcomes.
Support costs to enable eligible children to attend school trips	£635	All pupils requiring financial support in attending trips supported to the extent that they can attend. That no child would not attend for financial reasons.	Achieved
Support costs to enable eligible children to attend residential curriculum trips	£2550	All pupils requiring financial support in attending trips supported to the extent that they can attend. That no child would not attend for financial reasons.	Achieved

Support for identified children to receive free swimming tuition	£480	All pupils provided with free transport and swimming tuition.	Achieved
Teacher funding to run after school intervention groups for disadvantaged children in Year 6 (with others) in Maths and English (for all targeted and some additional pupils)	£1100	Targeted pupils achieving progress expected to narrow the gap.	Some targeted pupils have not attended sessions put on for them. One disadvantaged pupil in 2017 failed to make Age Related Expectation, however did make good progress from low starting points. SATs results unknown at the present time for 2018 pupils.
Funding to support the inclusion of disadvantaged pupils in sensory sports skills sessions before the school day	£1000	To include all disadvantaged pupils who require it, to be included in these sessions.	Targeted children all attended the sessions with positive outcomes and good progress.

Total funding spent £82,720
